Three years from its commencement, Indian Institute of Management - Visakhapatnam showcases its excellence once again, with 100 per cent placements for the batch of PGP 2016-18.

Despite the increasing competition, the students have shown robust performance in attracting the country's premier companies.

The industry has shown its staunch support by offering diverse profiles and niche roles. The final placement process for IIM Visakhapatnam was on rolling basis held on campus, and the institute witnessed 42 companies participating in the process and multiple offers being rolled out.

Due to the outstanding efforts of students in the summer internship and corporate competitions, 18 per-
