

IIM-V students get internship offers

DC CORRESPONDENT
VISAKHAPATNAM, FEB. 3

Of the 49 students of IIM Visakhapatnam's second batch, 48 students have got summer internship placements with reputed companies while one student opted out in order to pursue his own interest.

The students got offers from HSBC, ICICI Lombard, Bosch, Sutherland Global Services, Amazon India, multi-national pharmaceuticals giant Dr. Reddy's and biotechnology major Biocon.

Also, 21 students got placements from recruiters visiting the IIM-V campus for face-to-face interactions with students, or conducting interviews over video-conferencing platforms.

Besides, the other 27 students visited IIM Bangalore (the mentor institute for IIM Visakhapatnam) and participated in IIM Bangalore's summer placement process during the last week of October 2016. IIM Bangalore's Placements Committee assisted the IIM Visakhapatnam students during the process and 27 students of

AP recruited students for their prestigious internship programmes across departments like Vision Management and Higher Education.

the batch secured internship offers in this process.

Marketing, strategy and general management were among the dominant roles offered to the students. Other roles included business development, sales, corporate HR, and operations.

The Government of Andhra Pradesh recruited students for their prestigious internship programmes across departments like Vision Management and Higher Education.

The season also witnessed interest from startups across various sectors: ePathshala, Edutel Technologies, and Next Education in the education sector; mSupply and 4tigo catering to the supply chain and fleet management respectively; Uber Diagnostics in the healthcare sector; and Awesummly in the media sector.
