

IIM-V records 100 pc placement

The Indian Institute of Management-Visakhapatnam has recorded a cent per cent placements for the batch of 2016-18 academic year. The institute had 42 companies participating in the recruitment drive. With an average salary for the batch is ₹12.07 lakh per annum, students had jobs in sales and marketing, consulting and general management.

Reputed companies from the BFSI sector such as ICICI Lombard, HDFC Bank offered jobs to the students in product management, analytics, sales and marketing domains. Three students were selected for the fellowship programmes of the AP government. IIM director M

Chandrasekhar said, "Mentoring by IIM-Bangalore and facilitation by Career Development Services team are the key enablers of our success." ENS
