

IIM-V hosting business conclave

**SPECIAL CORRESPONDENT
VISAKHAPATNAM**

Several industry leaders will participate in 'Conflux 2017', a business conclave, to be hosted by IIM Visakhapatnam at Hotel Novotel here on October 28.

The topic 'Analytics as a source of business innovation' was chosen owing to the contemporary nature of analytics.

A host of speakers including Anshuman Ghosh - vice-president, Ernst & Young; Sharmishtha Biswas - India

Make Excellence Leader, Johnson & Johnson consumer products; Mehul Bhagadia - head of Global Analytics Center, J P Morgan Chase & Co; Srinivas Sriramdas - vice president, Deloitte; Himadri Ganguly - associate director, PWC and Utkarsh B Somaiya - head of customer Analytics & BI, Aditya Birla Group, will discuss several topics ranging from supply chain optimisation to understanding the customers better using analytics.
