

## **Swachh Bharat Pakhwada**

Indian Institute of Management Visakhapatnam (IIM-V) organised the cleanliness drive on Sunday. Students cleared the premises of Andhra University central canteen and Andhra Bank School of Business block (Transit campus of IIM Visakhapatnam).

They removed the weed and picked up the dry garbage strewn across the premises. The initiative was taken as a part of Swachh Bharat Pakhwada, a fortnight-long cleanliness drive started by IIM-V.
