ABOUT NATIONAL INSTITUTE OF BUSINESS MANAGEMENT (NIBM)

NIBM is one of the most prestigious business schools in Sri Lanka with a proud history of academic excellence. NIBM has been functioning over 50 years having established in 1968 under the purview of the Ministry of Industries and Scientific Affairs. Through excellent teaching, research, consultations, public services and entrepreneurship, we are devoted for shaping Sri Lanka's business entities and fostering best business practices.

Our regional campuses that are located in Kandy, Kurunegala, Galle, Matara, and Kirulapone help to widen the higher education opportunities to many students around the country. NIBM looks forward with excitement, hope, optimism, to welcome enthusiastic students in Sri Lanka as well as from other countries to be a part of our success story.

LOCATION

NIBM main campus is located in the heart of Colombo; which is known as the most developed, largest city in Sri Lanka and the bustling commercial hub, having access to many landmarks such as conference halls, embassies, national museum, sports complexes, national sports grounds, city parks, shopping complexes, drama theatres etc.

Sri Lanka is a beautiful island surrounded by the Indian Ocean, with a land area of 65610 km². Colombo is a city that showcases a mixture of old and new architecture, with modern and colonial-era buildings which complement each other and create its own unique identity with sprawling street markets, which overflow with high-piled fruit and vegetable stalls, colourful fabrics, and deliciously fragrant spices. As a proof of multi ethnicity of the country, stand places of worship of Buddhists, Hindus, Muslims and Christians on the crowded streets of Colombo.

STRENGTHENING CROSS-CULTURAL RELATIONSHIPS

NIBM is one of the few campuses in Sri Lanka which offers local as well as international study programmes. We have developed strong partnerships with well-recognized foreign universities such as Coventry University of United Kingdom, Limkokwing University of Creative Technology and University Teknologi Malaysia.

Now NIBM is ready to open its doors to international students and share the expertise of knowledge in a surrounding that is unique to Sri Lanka. These students will get a chance to have a taste of the rich culture, spicy foods and experience the warmth and happy disposition of Sri Lankans.

SCHOOL OF BUSINESS

School of Business of NIBM, offers a range of programmes that enables prospective students to start at practically any prior educational level and grow up to the highest levels in business education, which will enable them to reach the highest levels in the organization in any part of the world. The affiliations it holds with leading foreign universities, the recognition it holds from a variety of professional bodies from all over the world, and the reputation it has earned from the industry for producing high-caliber graduates have made the brand name of the NIBM School of Business famous and high-flying.

EXECUTIVE TRAINING FOR BUSINESS LEADERS PROGRAMME

The aim of this newly introduced programme is to share the knowledge and business know how with the international community. Sri Lanka as an island nation has build a reputation for itself in quite a few areas such as its rich culture, hospitality, scenic beauty as well as industries like tea and apparel. This programme opens opportunities for participants from all over the world to visit our beautiful country, enjoy warm hospitality and at the same time-share knowledge with each other.
