Indian Institute of Management Visakhapatnam

Indian Institute of Management Visakhapatnam
(An Institution of National Importance under the IIM Act, 2017)

About IIM Visakhapatnam

Indian Institute of Management Visakhapatnam belongs to the prestigious IIM family of business schools. It is a new generation IIM, set up by the Government of India in September 2015. It is an Institution of National Importance under the IIM Act 2017. The Institute is presently located in its temporary, but state-of-the-art facility in the salubrious Andhra University campus in the heart of the 'City of Destiny', Visakhapatnam.

Mentorship

Indian Institute of Management Bangalore (IIMB), the acknowledged leader in management education, is the mentor for IIM Visakhapatnam. The academic and governance processes of IIM Visakhapatnam are therefore aligned with those of IIM Bangalore, ensuring high standards, ab initio.

Faculty

Faculty at the IIM Visakhapatnam have impressive academic and research credentials. This cohort is complemented by faculty drawn (predominantly) from IIM Bangalore, policy makers as well as industry professionals and practitioners, based on need.

Strengths

IIM Visakhapatnam is ahead in its generation in:

- Having world-class infrastructure, even in its transit campus, conducive to learning outcomes of high impact;
- Having all faculty with PhDs from IITs, IIMs or top-notch foreign institutions;
- Hosting the largest cohort of women-entrepreneurs, after IIM Bangalore (Mentor Institute), under a special year-long initiative called the Women Start-up Program;
- Leading the PhD program initiative;
- Conducting a Faculty Development Program for the Professors of Management from Public Universities;
- Commencing Executive Education Programs for the Central Public Sector Enterprises;
- Conducting a customized Post-Graduate Program on weekends for the benefit of Experienced Professionals;
- Maintaining consistently top performance in student-placements in volume and value of salary packages;
- Representing true national character with faculty from about 10 states and students, from about 20 states.

Prof. M Chandrasekhar
Director

Message - Director, IIM Visakhapatnam

Visakhapatnam is the crucible of intellect, innovation and industry; entrepreneurship and enterprise. That the city is base to several large, medium and small companies (public and private) in the core sector, energy, financial services, infrastructure, IT, pharma etc. exemplifies this fact.

For these organizations to continue to succeed in competition and excel in delivering value to their stakeholders through their products and/or services, it's important that their human resources are equipped with the ability and agility to adopt and adapt to changes in strategy and systems; structure and staffing.

The PGPEX (Post Graduate Program for Experienced-professionals) of IIM Visakhapatnam, an Institution of National Importance under the IIM Act 2017, addresses precisely this felt-need. The Program aims at enhancing the managerial capacities and leadership skills in the participants to successfully navigate today's business-world challenges characterized by economic, epistemological, environmental and ethical factors.

The curated Program contributes to the development of professional managers, entrepreneurs, and stewards of existing and emerging enterprises in the private, public, and social sectors by providing them with management education of global quality that advances new knowledge and innovation. With classes scheduled conveniently in the evenings and over weekends, the Program offers an ideal 'learn while you earn' opportunity to professionals based in and around Visakhapatnam.

"Welcome Aboard" is our call to all the aspirants with ambition to lead as game-changers and change-makers in their organizations!

Prof. B.Srirangacharyulu
Chairperson, PGPEX

Message – Chairperson, PGPEX

Indian Institute of Management Visakhapatnam is launching the two-year Post Graduate Program for Experienced-professionals (PGPEX). This program is an excellent opportunity for experienced professionals located in and around the City of Visakhapatnam to excel in their career, without taking a break from their profession.

The program has been designed with a mix of core and elective courses along with International Immersion and a capstone project. I am sure this program will be exciting and enriching, and will immensely help the participants to excel in their careers, and contribute to their organisations and the nation at large. I welcome the aspiring professionals to become part of the first batch of the PGPEX.

Prof. Bhargab Chattopadhyay
Coordinator, PGPEX

Message - Coordinator, PGPEX

To fulfill the unmet need of experienced managers, Indian Institute of Management Visakhapatnam is launching a two-year management programme from the year 2019. The programme aims at developing executives to accelerate their career path and assume leadership roles.

With rapidly changing business environment globally, this management programme enables the practising professionals by empowering them with skills and requisite knowledge to be effective leaders, while adding value to their organizations in complex situations.

As Coordinator of the programme, I invite you to avail this excellent opportunity which, I am convinced, will immensely contribute towards your decision-making skills and add value to your organizations.

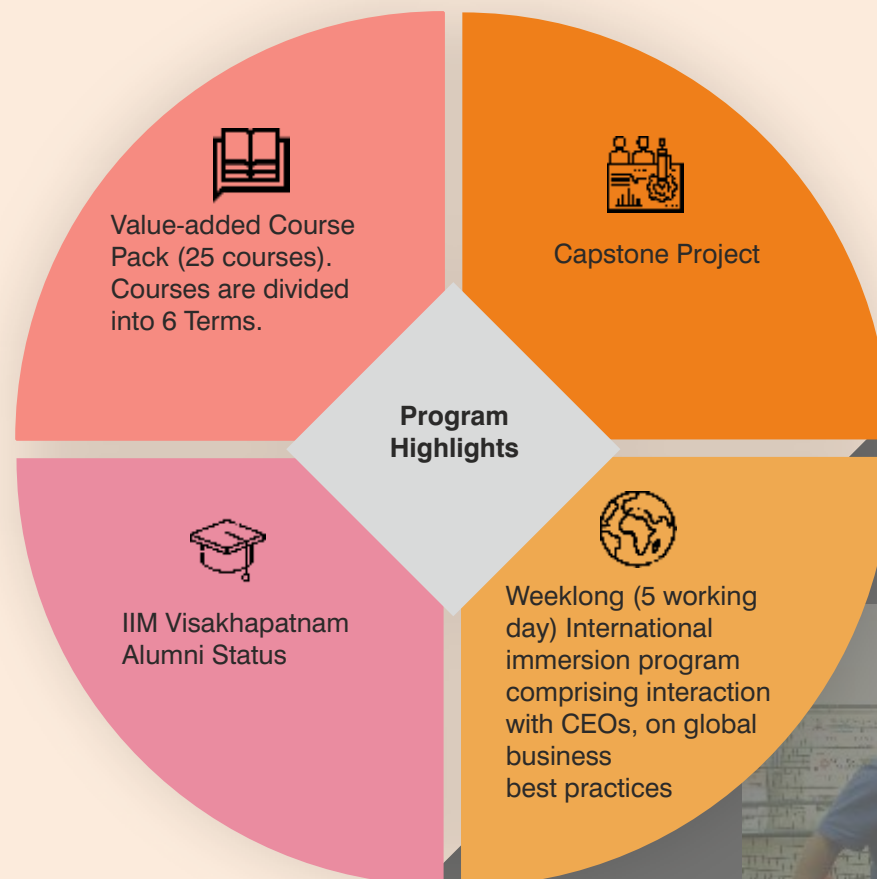

About Program

This Post Graduate Program for Experienced Professionals (PGPEX) leading to the award of Master of Business Administration (MBA) degree is being launched by the Indian Institute of Management Visakhapatnam (IIMV).

The first batch of the Program (2019-21) is scheduled to commence from October, 2019.

Program Highlights

Program Objective

The overarching goal of the Program is to help the participants enhance their managerial competencies and leadership skills for professional growth and development; and through that advanced learning, contribute more effectively to their organizations.

The specific objectives of the Program are to help the participants:

- Understand the demands and challenges of modern business organizations;
- Enhance their knowledge in functional management domains;
- Sharpen their skills in diagnostic, analytical and decision-making tools and techniques;
- Contribute to their organizational development with greater competence and confidence.

Eligibility Criteria

- The applicant must hold a bachelor's degree (minimum 55% marks or equivalent) that has been recognized by an authorized body in India. The Bachelor's degree obtained by the candidate must entail a minimum of three years of education after completing higher secondary schooling (10+2) or its equivalent.
- The applicant must have a minimum of three years of full-time work experience as on August 31, 2019 at an officer/executive level or higher; as a professional or as an entrepreneur. Part time work experience, clerical (non-officer/ non-executive) experience and apprenticeship will not be considered as eligible work experience.
- Applicants require a valid CAT, GMAT, GATE or GRE score to be considered for admission.
 - i. CAT score validity: Not more than two years old as on 20/7/2019
 - ii. GATE score validity: Not more than three years old as on 20/7/2019
 - iii. GMAT/GRE score validity: Not more than five years old as on 20/7/2019

Alternatively, applicants can also choose to take the IIMV Test.

Selection Process

- Applicants will be short-listed based on their performance in CAT/ GMAT/ GATE/ GRE/ IIMV Test, (as chosen by the candidate), academic record, duration and quality of work experience etc.
- Shortlisted candidates will be called for a Writing Ability Test and Personal interview. The interview panel will evaluate each candidate's performance based on such factors/parameters as statement of purpose, diversity, general awareness, leadership qualities, accomplishments at workplace, etc.
- At the time of the interview, employed candidates will be required to produce a "No Objection Certificate" from their employers.
- Final selection will be made based on a composite score comprising the performance in the Admission Test, nature and extent of work experience, SOP, Writing Ability Test and Interview.
- The composite total score will be calculated using a multi-factor model.

The venue for the entire Selection Process as above will be IIM Visakhapatnam campus only.

The admission offer will be made to a certain percentage of applicants depending on the availability of seats and their satisfying a minimum cut-off on the composite score.
