

Queries from various RTI applications received and the information provided by the Institute during 2020-21

RTI Application No.: IIMVP/R/E/20/00007 Date 18-05-2020

NeGD has a linked program with IIMV named PGP-DGM The first batch was selected as 2019-21. Many of candidates appeared and it is so unfortunate that A premier institute like IIMMV / NeGD didnt release any cutoff of any round...which shows there are full chances of taking unfair means in the process. So please provide the below information.

Q1. How many different rounds were conducted for the final selection with all candidate details.

Q2. Each phase marks of each candidate and cut off.

Q3. Complete merit of persons appeared till end with rank.

Q4. List of finally selected candidates with designation and departments.

Q5. weightage of each phase marks in final selection.

Q6. What is the reason of creating ambiguity by asking for GATE/CAT and other marks and also to opt for IIMV test. Why there is no clear guideline about the written. It should be same for all. Two separate written tests are just creating confusion and promoting hidden measures of agency. Please provide all details with full attachments. I am ready to pay the paper amount as RTI suggests.

Info: As mentioned, the program is being conducted under the aegis of NeGD, Meity, GOI. The eligibility criteria and the entire selection process were available in public domain. The process was completed in accordance therewith, under the guidance of and in conformity with the decisions and approvals accorded by the competent authority of the GOI. Since it was an essential condition for the candidates to route their applications through proper channel / through the respective cadre control authorities, the Ministry may be contacted through proper channel / through the relevant cadre control authority for information/directions (if any) in the matter.

**Press Information Bureau
Government of India
Cabinet**

24-June-2015 15:58 IST

Establishment of six new Indian Institutes of Management

The Union Cabinet chaired by the Prime Minister, Shri Narendra Modi, today gave its approval for setting up of six new Indian Institutes of Management (IIMs) in the country.

These new IIMs will be located at Vishakhapatnam (Andhra Pradesh), Bodh Gaya (Bihar), Sirmaur (Himachal Pradesh), Nagpur (Maharashtra), Sambalpur (Odisha) and Amritsar (Punjab). These IIMs will begin functioning from assigned temporary campuses and shift to their permanent sites after construction of their campuses. It is intended that these six new IIMs will commence their first academic session from 2015-16. Each Institute will start with an intake of 140 students in the Post Graduate Programme (PGP) courses. It is expected that the annual intake will increase to reach a level of 560 students each year by the end of seven years.

The PGP in Management would be the flagship programme of these institutions. Admission to the PGP will be through the open and competitive Common Admission Test (CAT) being conducted by the IIMs.

The Institutes would train young graduates to undertake management responsibilities and carry out research and consultancy in the field of management and allied areas. Their programmes will provide the country, potential leaders in diverse fields of endeavour and enterprise.

Background

A commitment was made by the Government of India in the Budget speech of the Finance Minister in July 2014 to establish five new IIMs in Bihar, Himachal Pradesh, Maharashtra, Odisha and Punjab. In addition, the reorganization of the State of Andhra Pradesh into the two States of Andhra Pradesh and Telangana has necessitated the setting up of an IIM in Andhra Pradesh, consequent to and in pursuance of the Andhra Pradesh Re-organization Act, 2014.
