Final **PLACEMENT REPORT** 2021-22

Messages

Prof. M Chandrasekhar
Director

Congratulating the students and thanking the recruiters, the Director expressed jubilation at the outcome. “This is a perfect gift the students gave us on the eve of the New Year. Competence and confidence of our students are a winning combination. Facilitating close-connect between what is needed and what is taught, our faculty cohort brought to bear on their teaching, a symbiosis of pedagogy and technology that the students gainfully leveraged. They have set a new benchmark of success. It will deepen the culture of aspirational performance in the Institute”, he said.

Overview

“Every day, a million miracles begin at sunrise” by Eric Jerome Dickey captures the essence of IIM Visakhapatnam's immensely successful placement season this year. IIM Visakhapatnam, popularly known as the Sunrise IIM, has once again proven its mettle by completing the final placement season for the 6th graduating MBA batch in record time, with record offers.

Despite the uncertainties caused by the ongoing COVID-19 pandemic, the Institute not only maintained its legacy of delivering 100% placement results but also shattered previous records to achieve the highest ever average package at 15.06 LPA (up 19.33 % from last year) and median at 15.46 LPA (up 28.83% from last year). Reinforcing their faith in the distinctive quality of the institute's students, industry-wide recruiters offered higher packages for coveted roles pushing the highest package up to 31.60 LPA, a handsome increase of 51.78% over the last season. The lucrative opportunities offered to the students are a good reason for celebration, with the Top 50% of students receiving an average package of 17.82 LPA (up 18.01% from last year); the Top 25% receiving an average package of 19.39 LPA (up 12.54% from last year) and the Top 10% receiving an average package of 20.67 LPA (up 9.60% from last year).

The Institute owes the success of the placement feat to the unwavering support of its esteemed recruiters, the effort and determination of its student placement committee, as well as the calibre and zeal of its students. Held on a rolling basis, the placement season witnessed over 86 companies participating in the process and making multiple offers with 49 new recruiters offering roles across various domains, including Consulting, Strategy, Finance, Product Management, Sales & Marketing, HR, IT & Analytics etc. There has been an overwhelming increase in the number of recruiters willing to partner with the Institute, an indication of the rapid strides it made, notwithstanding the challenges posed by the pandemic. Post December 31, 2021, with COVID-19 pandemic challenges slowly subsiding, the Institute witnessed positive developments in terms of salary figures wherein few companies revised them.

Prof. Deepika Gupta

Chairperson - Career Development Services & Alumni Relations

The CDS Chairperson, Prof. Deepika Gupta expressed her gratitude to all the recruiters who have reposed their faith in the students, despite the challenges posed by the ongoing pandemic situation. “With the economy slowly on the upsurge again, there are new and exciting opportunities that are unfolding, across sectors. It is a matter of extra satisfaction to witness the 2020-22 batch overcome the headwinds of the pandemic they sailed straight into, in learning, un-learning and re-learning things, and quickly adapting themselves to the new normal. They mastered the science and art of dealing with online academic sessions and virtual placement processes. There are also companies traveling from far and visiting our campus, reflecting their keenness in recruiting our talent. It is really heartening that the batch has demonstrated great performance by breaking the records, besides achieving 100% results. It was a new learning experience not only for the students but also for the Institute, in being resilient and responsive with reorganized systems, processes and infrastructure to counter the adverse effects of COVID-19. All that I can say is that we are prepared even better for the future”, she shared.
