RTI Application No.: IMVP/R/E/21/00038 dated 22-11-2021

Please provide following information with respect to IIM V PGP DGM 2020 22 2nd Batch.

1 Please have a look on attached RTIs and First appeal responses from Your institute.

2 There is a final merit list prepared in which all the candidates who got participated in admission process got a Overall Rank.

3 As per advertisement and per Your institute information there was total 15 seats for Meity Sponsorship out of which 10 were for UR General.

Info: As informed in the earlier RTI, funding decisions for the candidates are not taken by IIM Visakhapatnam but NeGD. The queries regarding the funding of the candidates can be directed to the NeGD.

Q4. It is surprising that there are multiple roll numbers in TOP 10 General List Rank 1 to Rank 10 but they were not offered Meity Seat and more surprisingly candidates who were out of Top 10 Merit were offered Meity Seat.

Info: Programme page only highlights the eligibility for the funding. It does not guarantee a funding. As stated in response to Point 3, funding decisions are taken by the NeGD.

Q5. Please provide information why Merit Holder were not offered Meity Seats and Non Merit Holders were offered which is totally against admission process. Its obvious that a candidate who was able to secure a Rank under 10 in general category fulfilled all the admission criteria. Still without any reason IIM V rejected.

Info: IIMV is responsible for the selection of the candidates. In new programmes like PGPDGM, the number of applications is few. Hence, all the candidates who had participated in the admissions process and completed the process were offered a seat in the admission.

Please do not link funding with the selection process. Selection is done by IIMV and funding is done by the NeGD. As mentioned earlier, since this is a new programme, and the number of applications is low, IIMV has to offer admissions to many candidates. Also, acceptance rate is low.

Hence, the assertion that a candidate was rejected despite being in the merit list is false. People were offered a seat but NeGD may not have sponsored them.

Q6. From the very first batch there are several misleading informations and back door entries, please provide full information otherwise I will be forced to got to Information commission and Hon Court for the same.

Info: As iterated in an earlier response, the offer letters are rolled out to almost all the applicants because of the small application pool and low acceptance rate.

RTI Appeal No.: IIMVP/A/E/21/00005 dated 27-05-2021

 Ref: 1. RTI application No.: IMVP/R/E/21/00017 dated 26-04-2021.
 2. CPIO, IIMV reply IIMV/RTI/R/E/21/00001 dated 24-05-2021.

Discussion:

1. Your queries vide RTI application dated 26-04-2021, were replied by CPIO, IIMV vide letter No IIMV/RTI/R/E/21/00001 dated 24-05-2021 which is within the time limit prescribed under the RTI Act.

2. An RTI appeal dated 27-05-2021 has been filed against the above reply.

3. The appellant has mentioned the ground for appeal as "Provided Incomplete, Misleading or False Information" without citing any reason or explanation as to how the information provided is incomplete, false or misleading.

4. I further find that Prayer or Relief Sought is "insufficient information so i am making first appeal" without any mention as to which aspect of information provided is insufficient.

5. I find that the RTI application contains a series of interrogative questions through which the applicant wants the PIO to confirm or deny certain facts which is beyond the scope of information as per the section 2(f) of the RTI Act, 2005. I also find that the CPIO provided all the available information and has gone beyond the duty prescribed under the RTI Act by compiling certain information for the benefit of the applicant.

Decision: The matter has been examined and in view of the discussions above, my decision is as follows: "The information provided by the CPIO is as per the information available in this office and as per the provisions of the RTI Act. Hence, the appeal does not merit any further action and is disposed of".

RTI Appeal No.: IIMVP/A/E/21/00006 dated 26/06/2021

Ref: 1. RTI application No.: IIMVP/R/E/21/00023 dated 19/05/2021
    2. CPIO, IIMV reply IIMV/RTI/R/E/21/000023 dated 25/06/2021.

Issue:

I find that the appellant has sought the final merit list and the list of recommended candidates which has been denied by the PIO as personal information of the candidates.

Discussion

Those candidates who were finally admitted in a course and those who could not make it after the initial recommendation is the personal information of the individual candidate. In CA No. 10044 of 2010 CPIO, Supreme Court of India v. Subhash Chandra Agarwal with CA No. 10045 of 2010 & CA No. 2683 of 2010, the 5-member Constitutional Bench of the Apex Court held that the professional records, including qualification, performance, evaluation reports, ACRs, disciplinary proceedings, etc. are all personal information. As it is the personal information of the candidate, it cannot be provided to the applicant.

In this case, since the number of candidates is large, issue of third party notice under section 11 of the RTI Act is not possible without disproportionate diversion of the resources of the public authority. As such, the same is not feasible.

Order:

After examining all aspects of the RTI Application, the order of the PIO, and the first appeal, I uphold the denial of information under section 8(1)(j) of the RTI Act.

RTI Appeal No.: IIMVP/A/E/21/00007 dated 09-08-2021

Ref: 1. Your RTI application No.: IMVP/R/E/21/00028 dated 10-07-2021.
    2. CPIO, IIMV reply IIMV/RTI/R/E/21/00028 dated 09-08-2021.

Issue:

I find that the appellant has sought the PI score taken from IIM Kozhikode and the calculation of composite score as per admission process, for a candidate Mr. XXXXXXXX which has been denied by the PIO as personal information.

Discussion:

Since, the information is pertaining to others, the disclosure of the same has been denied under Section 8 1(j) of the RTI Act- 2005. Vide your appeal, you have mentioned that the person whose information is sought is your son. As per the provisions of the RTI Act, the information of others should be disclosed to the applicant only after obtaining written consent from the concerned third party, under Section 11 of the RTI Act.

Order:

After examining all aspects of the RTI Application, the order of the PIO, and the first appeal, the institute approached the third party for his consent for disclosing the required information and on obtaining the same, the following information is provided:

i. The normalised PI score fetched from IIM Kozhikode for the candidate bearing the CAT registration number XXXXXXXXX is 8.48.

ii. The Final Composite score of the candidate bearing the CAT registration number XXXXXXXXX is as under:

Component	Score
PI Score	8.48
CAT Score	24.74
10th Score	3.30
12th Score	3.46
UG Score	5.48
Diversity	20
Work Ex.	0.84

iii. The Final composite score of the last candidate in General candidate admitted to IIM Visakhapatnam for PGP 2021-23 batch is 60.00

RTI Appeal No.: IIMVP/A/E/21/00008 dated 25-08-2021

Ref: 1. Your RTI application No.: IMVP/R/E/21/00029 dated 27-07-2021.
　　 2. CPIO, IIMV reply IIMV/RTI/R/E/21/00029 dated 23-08-2021.

Issue:
I find that the appellant has sought the details of all candidates selected for PGPDGM 2020-22 batch, where the PIO has provided certain information and personal details were not disclosed. You have also mentioned that similar information was provided to one of your known person under RTI.

Discussion
The information provided for First Appeal with No. IIMV/ADMN/RTI/A/E/20/00001 is as per the provisions of the RTI Act, where the personal data was exempted. Those candidates who were finally admitted in a course and those who could not make it after the initial recommendation is the personal information of the individual candidate. In CA No. 10044 of 2010 CPIO, Supreme Court of India v. Subhash Chandra Agarwal with CA No. 10045 of 2010 & CA No. 2683 of 2010, the 5-member Constitutional Bench of the Apex Court held that the professional records, including qualification, performance, evaluation reports, ACRs, disciplinary proceedings, etc. are all personal information. As it is the personal information of the candidate, it cannot be provided to the applicant.

Order:
However, in the spirit of RTI Act and, since you have requested information using roll number instead of names, the same is provided in the Annexure-1.
