Director's Message

Prof. M Chandrasekhar
Director - IIMV

Director, IIM-Visakhapatnam, **Prof M Chandrasekhar**, said, "Summer internships are a great opportunity for students to showcase, early in their careers, their creativity, analytical aptitude, problem-solving skills, agility, adaptability and how well they gel as team players. The shared values, social and environmental responsibility that they practise and demonstrate will be keenly watched. This is where our students will have a headstart. Trained and grounded well in hard and soft skills, they will stand out in their performance. I am positive many of them will land plum final placement offers during their summer stints itself".
